FREE FIELD TRIPS

Let the Museum of the Cape Fear pay for your field trips.

- Through a generous grant from the Youth Growth Stock Trust, field trips to the museum are fully funded. This includes the cost for the bus, bus driver, and a substitute teacher (up to \$60/day).
- To take advantage of this opportunity, contact the museum and make your reservation at least 2 weeks in advance. Have a 1st and 2nd choice of dates. The museum can accept 150 students a day at 2 different times. (For example: 75 students at 10am and another 75 at 12pm.).
- A field trip to the museum aligns with the 4th and 8th grade North Carolina History curriculum. It provides interdisciplinary lessons for all grades.
